FORFEITS DURING TOURNAMENT

Teams that forfeit any game during the tournament must pay all umpire fees for games not playing for both teams unless the last game of the day then must pay only their fee.

FINAL PLACINGS

Once the event is completed, the usssa.com system must be manually configured to show the final placings and award the correct amount of corresponding points. Until this is done, the results may not show as final or be correct. We do this process for each event on Monday, which may take up through midnight on Monday to completely update and reflect accurate results.

All Protests are \$50 Cash, if you win your Protest you get your money back. (Roster Protests must be before the 1st pitch in the 3rd inning)
